

## MP and Newspaper Branch Directory

This directory includes the phone number and e mail of MP's in branch areas. In instances where the phone number or e mail has not been given, an online contact web address and House of Commons switch board address has been given.

[www.writetothem.com](http://www.writetothem.com) (a useful resource, especially if your MP is not included on the list below.)

<http://www.parliament.uk/mpslordsandoffices/index.cfm> (gives a full directory of all MP's and Lords, you can search the database by MP's name, constituency etc, so I would recommend looking on here if your MP is not on the list.)
